

## REPUBLIC OF LIBERIA

---

# SPECIAL STATEMENT

*In the wake of the resumption of commercial flight operations at the Roberts International Airport on June 28, 2020, the Government of Liberia announces the following measures and protocols that must be adhered to by ALL travelers.*

### **Health Measures and Protocols**

1. All passengers (Arriving and departing) will be required to have their temperature taken for symptoms of COVID-19 and register via phones numbers/USSD/Mobile App.
2. All arriving passengers who have been tested at point of departure must present a valid negative result document on arrival at RIA
3. All arriving passengers who have not been tested at point of departure will be required to take a rapid test and a PCR swab at airport.
  - a. In the event of a positive rapid test result, the passenger will be placed in the holding unit at the airport pending the final PCR test result
  - b. Passengers having negative results will be allowed to go home pending final PCR test. There will be continued symptom monitoring via USSD and Mobile App.

### **RIA Access Protocol:**

1. All passengers are to arrive four hours before check-in time
2. All passengers must wear a Face Mask
3. Only ticketed passengers will be allowed entry into the airport
4. All passengers entering the airport gate will be subject to mandatory screening.
5. All passengers will be required to wash their hands.
6. Passengers will be required to stand in marked spaces within the terminal area.
